STATEMENT ON SUBSTANCE OF INTERVIEW

This paper records the substance of the Examiner-initiated telephonic interview held between the undersigned and the above-identified Examiner on May 11, 2006 in connection with the above-identified application. In the interview, the Examiner raised a potential obviousness-type double patenting issue for at least claim 1 over the claims of US 6,990,700. In order to obviate said potential double patenting rejection, a terminal disclaimer is attached. The disclaimer is made solely for the purpose of advancing the prosecution of the application and should not be construed as an admission with respect to the merits of the rejection.
